Dear Mr. Grynberg:

This is in response to your November 2, 1998, Freedom of Information Act (FOIA) request (copy enclosed). In a November 23 telephone conversation we notified you that we were not able to locate any information on an audit of Unocal's Churchula Gas Condensate Field located in Mobile County, Alabama. We indicated to you that the associated lease numbers would be helpful in our search, however, you stated that you did not know the lease numbers for the Churchula Gas Condensate Field.

As of today, we are closing your request. If you determine that you require the audit data, please re-submit your FOIA request including a list of leases for the Churchula Gas Condensate Field. Be advised that your FOIA request will be classified as a commercial request, therefore, subject to the assessment of fees.

We are providing this information without charge, since the cost is less than our minimum billing amount. For future reference, in accordance with 43 CFR § 2.20(a)(1) (1997), we assess user fees to fulfill a FOIA request. Personnel charges cover our costs to conduct document searches and to review, identify, and delete privileged and confidential information. Other charges cover the direct costs of providing the material. Standard charges are:

Professional support	\$18.60/hour	Computer/mag tapes	\$25.00/each
Clerical support	\$ 9.20/hour	CD-ROM	\$ 6.00/each

Dear Greg:

It has come to my attention that the MMS has performed an audit of Unocal's Churchula Gas Condensate Field located in Mobile County, Alabama, which is being recycled.

The purpose of this letter is to request a copy of the audit under the Freedom of Information Act. As always, we will pay the cost promptly upon receipt of the bill.

Thank you very much for your cooperation.

Sincerely yours,

Mitchell, If we have not already sent FOIA 99-011 (Jack Grynberg) to SICD, please do so as stated below. Also, advise Cliff Coston that nothing more is needed by HCD, except for the amount of time spent to determine that HCD and the Unocal Residency did not do the audit. Thanks.

In response to your FOIA 98-011 request I received the following response from the Unocal residency supervisor.

Please advise if further action by HCD is warranted.

The staff did not perform an audit here of this field. Probably State and Tribal will have the report.

Alan

I have a FOIA request for copies of an audit of UNOCAL's Chunchula Gas Condensate Field. Did the Unocal staff perform an audit of this facility? If so could I get a copy of the audit report to fill the FOIA.

The response to the FOIA is due 11/18/98.

Thanks
